Vital Signs Survey 2023

Welcome!

What is your experience of life in Southeast Alberta? The Community Foundation of Southeastern Alberta is requesting your time and input because we believe that your voice helps us to better understand our region. Please respond to our 37 question survey that should take 5-10 minutes to complete. If you'd like, you can enter a draw to win 1 of 5 \$100 gift cards – our way of saying 'Thank You!'.

There are no right or wrong answers. All responses are anonymous and strictly confidential. Aggregated responses will be shared in our Vital Signs Report, which will be published Fall 2023. This report helps our community identify issues, inform funding, and encourage other important work to support vibrant, healthy, and caring communities!

This survey is set to run from June 16th to August 31st and is open to all community members in the Southeast Alberta region.

If you have questions or would like more information, please contact Lauren at VitalSigns@cfsea.ca or 403-527-9038.
